WADANDI BOODJA

The Wadandi people are the traditional owners of the South West of Western Australia. Wadandi Boodja means Saltwater People's Country. *Whilst living, travelling, visiting and holidaying on Wadandi Boodja, we ask that you respect the area and walk softly on the country, taking the time to listen to Boodja (Country) as she Wongi (talks) of the season, and leave nothing but footprints.*

Pibulumun Wadandi Yunungjarri Elder Wayne Webb

This map includes traditional place names for towns that are officially recognised by their non-Aboriginal name.
