

MARGARET RIVER REGION

ON WADANDI BOODJA

HOUSE RULES/TERMS OF USE

Welcome to the official Margaret River Region Facebook/ Instagram community. 🍷🌿

This is a space to share stories, ask questions, get inspired, and connect with people who love this corner of the world as much as you do.

To maintain a warm, respectful, and helpful environment, here are a few ground rules for engaging with our community.

1. BE KIND

We're all here because we love the Margaret River Region — so let's treat each other like neighbours at the local bakery. No hate speech, bullying, harassment, discrimination, racism, sexism or personal attacks. We have a zero tolerance policy – comments that breach this will be deleted, and repeat offenders will be banned.

2. KEEP IT RELEVANT

We're all about Margaret River Region travel tips, local events, food and wine recommendations, nature snaps, and community stories. Off-topic posts and comments, conspiracy theories, and/or unrelated promotions may be removed.

3. NO SPAM OR SELF-PROMOTION

This isn't the classifieds. Please don't use this space for unsolicited advertising, selling products, or promoting your own page or business (unless we've asked or it's part of a collaboration). Want to work together? DM us.

4. KEEP IT REAL

Share genuine experiences and helpful information. False claims, misinformation or misleading comments will be removed.

5. RESPECT PRIVACY

Don't share anyone's private information without permission — that includes names, locations, or images of others, especially kids.

6. USE YOUR WORDS (NICELY)

We're all for spirited discussion, but make sure it's respectful. No rants, offensive language, and/or name-calling. Think before you comment.

7. RESPECT OUR ENVIRONMENT

We love wildlife and wild places. Please don't post or encourage anything that could harm local nature, including off-trail adventures, disturbing animals, or illegal activity.

If your post or comment breaks these rules, we may hide or delete it — and if it keeps happening, we'll remove or block your account. We want this to be a welcoming, inclusive and inspiring space for locals and visitors alike.

Thanks for being here — let's keep it feel-good, friendly, and full of love for the Margaret River Region.
